

COVID-19 and Penn-York Camp

As always, the safety of our staff and those who are utilizing the camp facilities is of the utmost importance to PYC. We make sure that all our buildings are thoroughly disinfected after each group and are continually monitoring this situation and taking action accordingly. If you have any questions on the steps that we are taking to protect you, please contact us.

Brief overview of the current state guidelines for religious organizations:

- Currently, there are no state guidelines in place for religious organizations.
 - That said, we still encourage groups to follow CDC recommendations such as mask wearing and social distancing while they are here.

- If an individual feels the need to back out of an event at PYC due to COVID 19 concerns, PYC will refund any money that has been paid towards the event.
